

J. Frank Addresses Lions Club

J. Frank, president of Standard Broadcasting Company, addressed over 50 members of the Lions Club at a luncheon held Tuesday, January 5, at Alan Richard Hall, 1953 West Carson.

'Unemployed' Seals Still Circulating

Over 13,500,000 unemployed Christmas Seals are still at large in Torrance and the rest of Los Angeles County. That was how Campaign Chairman Rod Maclean reported that the drive for \$650,000 in anti-TB funds was \$135,000 behind its goal at the beginning of the new year.

"These seals are unemployed," the Union Bank & Trust Company official explained, "because they are not doing the work they were cut out to do. The represent errent contributions which could bring funds up to this year's required minimum for a basic TB control program here."

New Department B6-481, Started At No. American

Creation of a new department to operate the new inspection Test Laboratory now being built at Torrance B6 being announced by T. E. Spring, vice-president-general manager of North American's El Segundo division.

Designated B6-481, the department has L. W. Dexter as administrator and R. Haack as department head of the new electrical and hydraulic labs, expected to be every bit as modern as the new inspection laboratory at El Segundo, are scheduled for completion in mid-1954.

ALIENS TO REPORT ADDRESSES

The Immigration and Nationality Act requires every alien who is in the United States on January first to report his address to the Commissioner of Immigration and Naturalization during the month of January, it was announced.

This is not the same thing as alien registration. The present address report must be made every year.

The report must be made by going to any United States Post Office or immigration office and ask for an Alien Address Report Card. This is to be filled out and returned.

Further information can be obtained from any local office of the Immigration and Naturalization Service, or the Central D.C.

DEAR EDITOR...

DEAR UNCLE EDDIE I am very sorry you have to go to Chicago, for two weeks. I will miss you very much. But if you have to go you have to go. I hope you right to me. Mommy just came home from work. Uncle Eddie, you work to hard. Daddy is still at work, and so is Jerry. But I have two weeks off from school. Because of Chris-tmas. I hope you have a nice trip. With all my love, Sandy

Tuberculosis causes more deaths than any other disease among young people between the ages of 15 and 35. Yet TB can and does kill at any age.
